

Dear Teachers and Parents,

With the influx of more bilingual students, it is difficult to have both new and returning students fit in one classroom. For 2017-2018 school year, Riverside Hua Xia Chinese School will offer 2 Bilingual classes for both Beginner and Intermediate levels.

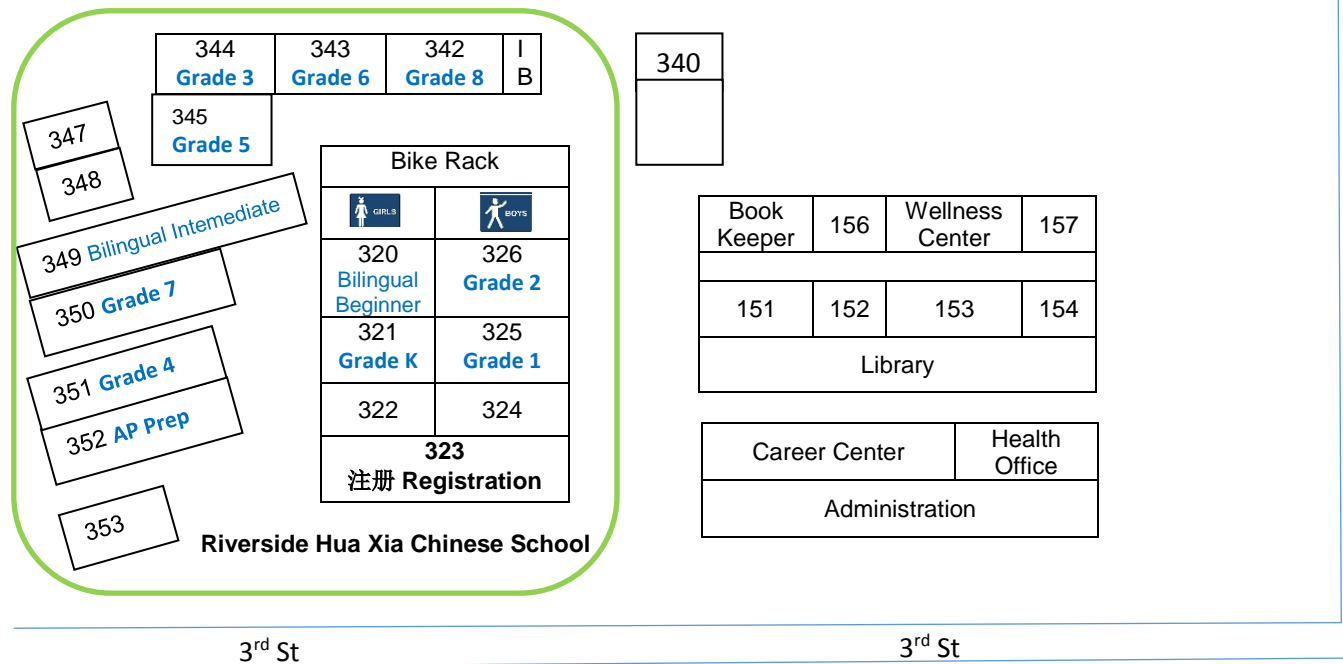

Parents of bilingual students are welcome to stay inside the classroom and learn with your child together, for free😊, and practice with your child at home. Experts for Chinese language education suggests this is the best approach for bilingual students to succeed.

Adult students are welcome to join our Bilingual beginner or intermediate class based on your fluent level in Chinese. Annual base tuition bilingual class is \$400 with \$20 sibling discount, there is \$50 non-refundable registration fee per family and \$20 returnable PTA Service Deposit. You could have a free trial for the 1st day of school to make a better decision on which class to enroll.
